Steve
Dear Mr. Strong:

On behalf of the Board of County Commissioners, I want to thank you for establishing the Scott Strong Scholarship as well as the scholarships you presented at the School Board meeting last Monday.

Your brother, Scott, was truly one of Lake County's finest, most honorable public servants in our county's history and the scholarships are a meaningful way to honor his memory and to support our young people as they pursue their education.

Our Commission wants to thank you collectively and each Commissioner extends their personal appreciation for the Scott Strong Scholarships.

Steve, thanks again for all you do for Lake County. I know the students who receive this scholarship are very deserving and appreciate you as well.

Please send the Commission's appreciation to everyone associated with the scholarship.

Respectfully,

Jimmy Conner
